PLEASE READ THE FOLLOWING:

The Charity realises that the third term of each academic year is not as straightforward as the first two terms due to exam periods etc. and that it may be difficult to contact your tutors during this period in order to get your Progress Reports completed. With this in mind we would ask that you supply the Charity with the following information as receipt for your Term 3 Student Progress Report:

1. A copy of your exam results for the final term.
2. Confirmation from your university that you have place on the next year of your course.
3. Your plans for next year if you have a sandwich/placement year.
